

Dear Guidance Counselor,

Illini Community Hospital is proud to inform you that we will be offering a \$500 scholarship to a senior from your school who is planning on pursuing a career in health care.

I have attached a copy of the form that we are requiring the student(s) to fill out in order to be eligible for this scholarship. The due date this year is April 4<sup>th</sup>. After our committee has reviewed all of the applicants, we will be conducting on site interviews with the top candidates from your school. We feel that this gives us an opportunity to get to know the student better and will give them experience of interviewing in a professional setting.

Please encourage your students who are planning on going into the health care field to apply for the Illini Community Hospital Scholarship. If you have any questions, I encourage you to contact our Public Relations office at 217-285-2113 extension 3810.
