

Irvin Dean Franklin, was born and raised on the farm near Nebo , IL where his family settled and established their roots and homestead when arriving in Pike County. He will be remembered for his friendly outgoing personality, never meeting a stranger. After graduating high school in Nebo, he attended Western Illinois University in Macomb and also served our country in the U.S. Army. His desire to continue learning was evident throughout his lifetime by taking photography, wood and metal working classes and advancing his skills as a county assessor through several trainings in his older adult life. Irvin Dean was a strong supporter of the Pike County community by serving on the School Board of Education, the Pike County Fair Board, FS board, and the Farm Service Agency County Committee. He believed in the youth and encouraged them through 4-H , FFA, and took an active interest in many youth projects. To honor his enthusiasm and interest in Pike County and the education of youth of this area, it is with pleasure his family is offering an annual scholarship in his memory.
