ARTICLE I RECOGNITION

The Board of Education, Western Community Unit School District #12, proposes that it will comply with 115 ILCS 5/7(b) to voluntarily recognize the Western Education Association/Illinois Education Association/National Education Association as the sole and exclusive bargaining representative for all full and part-time certified employees and non-certified employees employed by the Board as the educational employer, except all managerial, supervisory, confidential and short-term employees as defined by the Illinois Educational Labor Relations Act, including, but not limited to, the Superintendent, Principals, Assistant Principals, Transportation/Mechanic Supervisor, Custodial/Maintenance Supervisor, Superintendent/Board Administrative Assistant, Bookkeeper, Elementary Administrative Assistant, High School Principal's Administrative Assistant, Junior High School Principal's Administrative Assistant, Western Early Childhood Coordinator, and District School Nurse. The Board of Education shall hereinafter be referred to as "Board" or "employer". The Western Education Association shall hereinafter be referred to as "Association".

The term "teacher", when used hereinafter in this agreement, shall refer to all certified employees represented by the Association in the negotiating unit as determined in paragraph one in this Article.

The term "ESP", when used hereinafter in this agreement, shall refer to all non-certified employees, represented by the Association in the negotiating unit as determined in paragraph one in this Article.

The term "employee", when used without reference to teacher or ESP hereinafter in this agreement, shall refer to all certified and non-certified employees represented by the Association in the negotiating unit as determined in paragraph one in this Article.

ARTICLE II EMPLOYEE RIGHTS

21 Personnel File

- A. Upon appropriate written request by the employee, he/she shall be permitted to examine his/her files, with the exception of pre-employment confidential materials, in the presence of the Superintendent or his designee and a colleague of the

employee's choice. Employees may not remove the files from the Board office.

- B. An employee's request to review his/her file will be granted within two (2) working days of the request.
- C. The employee shall be permitted to reproduce any material in his/her file at no charge.
- D. The employee shall have the right to respond to any material filed and his/her response shall be attached to the file copy.
- E. Employees shall receive notice within seven (7) school days of any materials placed in an employee's personnel file that concern discipline, or for use in evaluation of the employee's job performance.

2.2 Right to Representation

When any employee is required to appear before the Board or the Administration concerning employee discipline or any matter which could adversely affect his/her employment, position, or salary, the employee shall be entitled to have a representative of the Association present, if the employee so requests. Further, when any employee is required to appear before the Board, he/she shall be advised in writing of the reasons for the requirement with a forty-eight (48) hour notice.

2.3 Part-Time Teachers

- A. A part-time teacher is defined as any teacher who is contracted for less than eight (8) consecutive hours per day for the entire school year. If the teacher's part-time status is the result of a reduction in force, the teacher shall continue on the Teachers' Salary Schedule at the teacher's normal placement, but shall be paid on a pro rata basis to the time contracted. As long as Mr. Stephen Schultz is employed by the school district on a part-time teaching basis, he shall be placed on the Teachers' Salary Schedule at the level commensurate with his education and experience, but shall be paid on a pro rata basis to the time contracted. All other part-time teachers employed by the school district on or after July 1, 2007, shall be placed on the Teachers' Salary Schedule at the "BS" and zero years' experience level on the schedule, and paid on a pro rata basis to the time contracted.

- B. Part-time teachers shall receive sick and personal leave time proportional to the percentage of time they are employed.
- C. In extenuating circumstances, the District may have two individuals job-share the duties for a single full-time position on a temporary basis. The Association shall be notified before use of job sharing.

2.4 Dues Deduction

Employees will sign and deliver to the District the appropriate signed, authorization forms for national, state, and local annual dues deductions as provided by the Association. This annual authorization will be presented to the District by September 10th of each year from those employees requesting dues deductions. All dues deducted by the Board shall be remitted to the Association no later than ten (10) days after the end of the month in which the deduction is made. The first deduction will be made beginning with the September paycheck after the appropriate signed authorization forms are received. Dues will be deducted semi-monthly for eighteen (18) equal amounts as long as the employee is still under contractual agreement with the District. Those employees who are employed after the beginning of the school year may request dues deductions for the remainder of the year in an amount equivalent to the dues yet to be deducted for the remainder of the year by submitting the appropriate signed forms to the District.

2.5 Board Minutes and Agenda

Agendas for all regular Board meetings shall be e-mailed to the Association President or his/her designee by the School Board recording secretary at least three (3) days (Monday before Wednesday meetings) in advance of said meetings. Notice of special Board meetings should be given to the Association President or his/her designee at least forty-eight (48) hours prior to said meetings. A copy of official minutes and treasurer's reports from open meetings of the Board shall be given to the Association President or his/her designee within four (4) working days after it has been formally approved by the Board.

2.6 Association Use of School Equipment and Facilities

With the understanding that any and all costs incurred by the Association will be fully reimbursed to the District, consistent with charges that would be assessed any other group or organization,

the Association may use school facilities for meetings, and school equipment (i.e. computers, SMART boards, copy machines, projectors and iPads) before or after school hours, with prior authorization of the building administrator after his/her consideration has been given to other school activity scheduling. The Association may also have use of employee mailboxes and a faculty workroom bulletin board as designated by the Superintendent. The Association may use District e-mail to notify members of the date, time, place and agenda for Association general membership meetings, but for no other purpose. The Association recognizes there is no right to privacy in such e-mail communications.

2.7 Vacancy Notice

When a vacancy occurs during the school year in a position within the bargaining unit the Superintendent or designee shall post a copy of the vacancy notice in each employee work room, on the district website, and in the bus barns. One copy of the notice shall also be e-mailed to or placed in the Union President's mailbox. During times other than during the regular school year, the Superintendent will post vacancy notices in the Superintendent's office, bus barns, on the district website and send an e-mail to the district "everyone" distribution list, which includes the Union President and all staff members.

No vacancy exists in any position when a person is hired to fill the position as a substitute or on a temporary basis because of an employee's illness, injury, maternity leave, or other leave granted pursuant to the terms of this Agreement for a duration of less than twelve (12) consecutive months.

ARTICLE III WORKING CONDITIONS

3.1 Length of Workday - Teachers

- A. The length of the workday for all teachers shall not be less than eight (8) consecutive hours, including preparation periods and lunch periods, except for:
 - 1. The administration will provide teachers a written schedule of monthly meetings, which shall be shared with staff members on a month-to-month basis with sufficient time for them to plan their personal/professional calendars. A good

2. Open House at the beginning of school for parents to meet the teachers.
 3. Scheduled parent/teacher conferences
 4. Professional conferences
 5. Class sponsorship activities

The work year for teachers shall not exceed one hundred eighty (180) days which shall include the four (4) workshop/in-service days.

A tentative class schedule will be given to each teacher no later than June 15th. If the Administration determines that changes in the tentative assignments or tentative schedule should be made after the above-mentioned dates, the affected teacher will be consulted after Administration approval of said changes and notified in writing within five (5) working days. The Administration reserves the right to determine when the tentative changes are final and subject to notification.
- B. If an opening occurs in a position or class within the system, currently employed teachers shall be given the first consideration to apply for said position providing the teacher requesting the position is qualified for the position.

3.4 Preparation Periods/Substitute Teachers

- A. Teachers at the Junior High School and High School shall receive a planning period equal to a classroom period on each student attendance day. Elementary teachers shall receive at least 250 minutes of preparation time per week during the student attendance day for planning. Each teacher will work with the building administrator in determining how these 250 minutes will be taken in any week given student activities.
- B. Any grievance filed concerning an alleged denial of providing the appropriate planning periods as provided in paragraph A above shall be based on whether there has been a pattern of denial of the planning period time, not due to the school calendar or inclement weather.
- C. Substitute teachers shall be hired for every teacher that is absent, if possible. If, however, teachers are asked by the administration to substitute internally, teachers will receive \$18.00 per hour. Teachers will be responsible for submitting their hours for payment.

3.5 Allowances For Preparation Period Usage

Upon prior notification to and approval by the Administration or designee, teachers may be allowed to leave the building during their preparation period for the purpose of unforeseen personal or family emergencies, medical and dental appointments for themselves or a member of their immediate family or household, or other personal business as approved by the administration or designee.

3.6 Grades

Teachers shall maintain the right and responsibility to determine grades and evaluations of students. If grades and evaluations are to be changed, only the Administration has the authority to effect said changes and in such instances its representatives must contact the teacher involved. However, in instances where the Administration contemplates changing a grade or student evaluation, the Administration will discuss the proposed change(s) with the teacher involved before effecting said action. The teacher may petition the Board if agreement is not reached.

3.7 Labor/Management Committee

An advisory Labor/Management Committee shall be appointed consisting of three (3) to five (5) members of the Union and of the Management. The committee shall meet at mutually agreeable dates and times to discuss issues of concern. The discussions regarding the issues raised by either the Union or the Employer shall be considered "meet and confer" sessions only. Each meeting shall have a pre-determined agenda. Either party may present agenda items.

- B. A 9-month ESP is regularly scheduled to work on each student attendance day and on in-service days as authorized by the Superintendent to meet the needs of the District.
- C. A part-time ESP works less than 30 hours per week and is not scheduled to work the schedule of a 9-month ESP. The part-time ESP positions include dishwasher and assistant cook.
- D. Overtime shall accrue to non-salaried ESPs who have prior authorization from the Superintendent to work more than 40 hours in any week. A week shall be from 12:01 a.m. Monday for 7 consecutive days to the following Sunday at midnight. Authorized overtime hours shall be paid at 1 1/2 times the regular hourly rate the ESP earns.
- E. The classifications for ESP positions for the purposes of this agreement are as follows:

 - 8. Non-paraprofessional Monitor

3. Part-time positions shall be scheduled by the Superintendent.
4. Head Cooks shall work 8 hours, including a half-hour lunch, Monday through Friday, on days students are in attendance and 4 days as cleanup days.
5. Full-time Assistant Cooks will work 8 hours per day Monday through Friday, including a half-hour lunch, on days students are in attendance and other days as assigned by the Superintendent.
6. The normal workweek for Custodians shall be Monday through Friday.
7. **Split Shifts.** When school is not in session, the Superintendent may permit custodians and other staff normally working evening hours to work a regular day shift.
8. Regular am and pm bus routes which includes the pre-trip check and post-trip work, will be computed as 1.5 hours. Special education routes with destinations outside the school district will pay drivers on their actual driving time. Double routes will be compensated an additional rate per contract.

3.9 ESP Schedule of Assignments

ESP shall receive a tentative assignment of duties as soon as known, but no later than August 1st. The Board and Superintendent retain the right to assign employees to perform job duties that meet the needs of the district from time to time. The Board retains the right to establish job descriptions for positions within the bargaining unit and new positions to the District, but the Board will provide notice to the Association prior to changing job descriptions for comment by the Association.

3.10 Allowances for Lunch, Preparation Period and/or Break Usage

- A. **Lunch.** Each full-time teacher, 12-month or 9-month ESP shall be entitled to a thirty (30) minute duty free lunch. Should an ESP request a longer period, said ESP may do so with administrative approval.
- B. **Breaks.** ESPs who work an 8-hour day shall be given two fifteen (15) minute paid breaks. ESPs shall be give one fifteen (15) minute break per day if the ESP works at least four (4) hours per day. Upon

3.11 Subcontracting

The parties hereto agree that any existing or future subcontract between the school district and David Fee on matters related to a contract, which expired in 2013, is acceptable. The parties further agree that all other matters concerning subcontracting are reserved for future negotiations.

3.12 Shift Changes

Subject to the prior approval of the Administration, second shift employees may work the day shift when students are not present (institute and/or in-service or summer months).

3.13 Inclement Weather Days

On days of inclement weather when classes are cancelled, custodians and maintenance employees are expected to report for work unless weather conditions are such that coming to work would create a risk to the employee's safety. The employee shall promptly notify the Superintendent or designee and provide a reasonable explanation of the employee's personal circumstances that prevent reporting to work. Custodians and maintenance employees who cannot make it to work due to inclement weather may use a personal day or a vacation day for the day missed.

3.14 Administering Medication

The School Nurse will administer student medication. In the absence of a School Nurse, the designated administrative personnel will administer student medication. This section shall not prohibit any school employee from providing emergency assistance to students. First aid and CPR training will be offered to all staff members to fulfill continuous certification requirements.

3.15 Cell Phones

District employees shall be reimbursed the actual cost of specific calls placed to address students' safety and welfare when transporting students in district vehicles without radios or without a District provided cell phone. All reimbursements are subject to the requirements of substantiation, district business connection, and returning amounts in excess of expenditures. All arrangements must be approved by administration prior to incurrence.

ARTICLE IV EVALUATION

4.1 Teachers

- A. All tenured teachers shall be evaluated at least once in the course of two (2) consecutive school years. Non-tenured teachers shall be evaluated at least twice each school year. Evaluations for tenured teachers and non-tenured teachers shall be conducted pursuant to the Performance Evaluation Reform Act (PERA). There shall be four evaluation rankings: Excellent, Proficient, Needs Improvement, and Unsatisfactory. The District will use the Danielson framework and rubrics as the basis for performance evaluations in the District, as set forth in The Teacher Performance Evaluation Plan.
- B. An evaluation committee shall consist of not more than three (3) Association members and not more than two (2) Administrators. Each year, the evaluation committee shall convene by May 15th to review, discuss or recommend any changes to the evaluation procedures, plan and instrument for teachers. If changes are recommended, the Board and Association shall have an opportunity to negotiate those changes in good faith prior to the parties' ratification and submission to ISBE for approval.
- C. Nothing contained herein shall limit an Administrator's right to discuss with a teacher performance of assigned duties or responsibilities during the school day.
- D. Nothing contained herein shall be construed to modify Article XII, Discipline and Discharge, Section 1, Teachers, in any way

4.2 ESP Evaluation

- A. An evaluation committee shall consist of not more than three (3) Association members and of not more than two (2) Administrators.

The evaluation committee may recommend that part-time ESPs are not subject to formal evaluation procedures. Each year, the evaluation committee shall convene by May 15th to review, discuss or recommend any changes to the evaluation procedures, plan and instrument for ESPs. If the changes are recommended, the Board and the Association shall have an opportunity to negotiate those changes in good faith prior to the parties' ratification and submission to ISBE for approval.

ESP's shall be evaluated on an annual basis. The ESP evaluation instruments are attached to this Agreement as Appendix A.

- B. Nothing contained herein shall limit an Administrator's right to discuss with an ESP performance of assigned duties or responsibilities during the school day.

4.3 Scope of Grievance

Any grievance filed pursuant to this Article shall be limited to whether there was a violation of specific evaluation procedures outlined in either the Teacher Performance Evaluation Plan and Instrument or the ESP Evaluation Plan and Instrument (attached as Appendix A). All other aspects of the evaluations, including, but not limited to, an Administrator's evaluation comments, decisions, or evaluation rating, shall not be subject to the grievance/arbitration article of this Agreement.

ARTICLE V LEAVES

5.1. Sick Leave

- A. At the beginning of each work year (start of school or July 1 as applicable), each nine (9) month (185-day) employee shall be credited with ten (10) days of sick leave, and each twelve (12) month employee shall be credited with thirteen (13) days of sick leave. Part-time employees shall receive sick leave days on a pro-rata basis to the days received by nine (9) month employees. The Employer shall furnish each employee with a written statement at the beginning of each school year setting forth the total accumulated sick leave credit for said employee. There is no limit on accumulated sick leave.

B. Employees will be allowed to use sick leave in increments of one-quarter day of the employee's actual workday. When four-quarter days of sick leave have been used, the district will then deduct one (1) sick day from the individual employee's accumulated sick leave.

C. Sick Leave Donation Plan (See Memorandum of Understanding)

The School Board and Western Education Association/IEA/NEA hereby agree to the following sick leave donation plan. The plan's purpose is to allow any employee who has been employed for twelve (12) months or more in the District the ability to donate their sick days to another employee who has suffered a catastrophic event, serious illness or injury. It is not the purpose of this plan to provide additional days to staff who have exhausted their accumulated sick leave and are applying for additional sick days.

Any employee who has completed twelve (12) months of service desiring to use the sick leave donation plan should contact the Association President. The Association President and the Superintendent shall make arrangement to convene the sick leave bank committee to determine if the request qualifies for the sick leave bank donation plan.

Any employee who has completed twelve (12) months of service wishing to donate days **must** complete and submit donation form to ensure the equal distribution of donated days. Any employee wishing to donate must make the donation within thirty (30) days of the request for donated days.

A committee will be established to act as the governing body for the administration of the Sick Leave Donation Plan. The committee shall consist of one (1) member of the bargaining unit and one (1) person named by the Superintendent.

The following are minimal criteria for use of the sick leave days:

1. Must have a catastrophic event, serious illness, or injury.
2. Must have a doctor's statement.
3. The employee is required to exhaust all his/her available leave and vacation prior to using sick days from the sick leave donation plan.
4. Must give the Sick Leave Donation Committee a written request for the estimated number of days required.

Beginning with the third consecutive day of absence, and employee may be eligible to use the Plan. If the employee is

eligible, the Plan coverage shall be retroactive to include the first day of absence for coverage. The consecutive day rule does not apply to dialysis, cancer treatment, and other intermittent absences due to life threatening occurrences.

An employee is only eligible for the number of days donated, not to exceed forty-five (45) days in one school year and a maximum of one hundred eighty (180) days during his/her employment with the District. The maximum number of days that can be allocated in a one-year period to all employees of the District is two hundred fifty (250) days, or the available number of days in the bank. An employee must notify the Association President and Superintendent at least five (5) working days before returning to work.

Days are donated to the sick leave bank and not to individual recipients selected by the employee. Recipients are selected by the Sick Leave Donation Committee. Donated days are entered in the bank in individually alternating days and are kept in the bank until 250 days is reached. **Donated days are not deducted from the donating employee's accumulated sick leave until actually used.**

By way of example, the concept of individually alternating days would operate as follows: Person A turns in a donation form on Monday; Person B turns in a donation form on Tuesday; Person C turns in a donation form on Wednesday; there would be 6 days donated, to be used as follows: Person A – 1 day; Person B – 1 day; Person C – 1 day; Person A – 2nd day; Person B – 2nd day; Person C – 2nd day. If for any reason there are more than 250 days in the bank, the days will be returned to the donors in reverse order of receipt, individually alternating.

5.2 Definition of Immediate Family

Immediate family for purposes of this section shall include: parents, spouse, brothers, sisters, children, aunts and uncles, grandparents, grandchildren, parents-in-law, brothers/sisters-in-law, and an employee's step-children and/or step-grandchildren (children and/or grandchildren of the employee's current spouse), and legal guardians.

5.3 Personal Leave

At the beginning of each work year (beginning of the school year or July 1, as applicable), each full-time employee shall be entitled to two (2)

personal leave days to be used for personal business, with the following stipulations:

- (a) Employees must notify their immediate supervisor three (3) days in advance, except in cases of emergency, in which case the employee must reduce to writing the nature of the emergency;
- (b) Unused personal leave days shall either be added to accumulated sick leave at the end of the school year or fiscal year, whichever is applicable, or upon 10 days' notice by the employee before the end of the applicable year, one unused personal day may be rolled over for use in the next year as an additional personal leave day. The maximum personal leave days any employee may have in any one year are limited to 3 personal days.
- (c) No more than four (4) employees may use personal leave on a given day.
- (d) No usage of personal leave immediately before or after a holiday except in an emergency.

5.4 Association Leave

The Association shall be entitled to use three (3) aggregate Association leave days per year, not per employee, for the purposes of conducting Association business or attending conferences or conventions. Employees representing the Association in the utilization of these days must submit advance written notification to the Superintendent. Said employees will not lose their pay or benefits; however, the Association will bear half the cost of the substitute salary.

5.5 Leave of Absence

An employee may request and may receive an unpaid personal leave of absence for up to one year, subject to Board approval.

This unpaid leave may be extended for up to one (1) additional year upon request and approval by the Board. No seniority shall be accumulated during the leave of absence; however, no seniority accrued prior to the leave shall be lost as a result of the leave. Unpaid leaves of less than two (2) calendar weeks may be granted, if approved by the Superintendent. The Superintendent's approval or rejection shall be at the Superintendent's sole and exclusive discretion.

The employee shall inform the Superintendent in writing of his/her intent to return at least 90 days prior to the end of the personal leave, if the

leave is for a period of more than 90 days. If the employee fails to so inform the Superintendent, the employee shall be deemed to have waived his/her right to future employment with the District.

During unpaid leave, the employee may continue his/her group health insurance coverage at the employee's sole expense, if the employee is eligible to maintain his/her own coverage according to the terms of the plan. The employee shall pay the full amount of each monthly premium to the insurance company.

5.6 Maternity Leave

To the extent a pregnant employee has available sick leave, said employee may use accumulated sick leave for maternity leave purposes, including temporary disability due to pregnancy or pregnancy-related causes. Such leave may also be used for a six (6) week post-partum period, unless additional leave is granted by the Board.

Maternity leave shall be determined (and verified in writing) by an examination conducted either by a licensed physician of the employee's choice and/or by a licensed physician selected by the Board. In the latter instance, the Board will bear the full cost of such an examination.

In the event the employee has exhausted all sick leave, the employee shall be granted a leave of absence without pay for such period as the employee is temporarily disabled due to pregnancy or pregnancy related causes. In the event the employee gives birth to a baby during the summer recess, the employee shall have the option to request a leave of absence without pay not to exceed the initial 12 weeks after the commencement of the school year. The employee shall provide written notice to the Superintendent at least 90 days prior to the expected due date.

Said employee will not be allowed to return to work until they provide the Board with a licensed physician's statement certifying that the employee is physically able to resume their duties.

Maternity and/or paternity leave may be granted for purposes of placement with an employee of a son or daughter for adoption consistent with the above leave for natural childbirth.

5.7 Professional Leave

At the discretion of the Superintendent, teachers may be granted permission to attend at least one conference, workshop, seminar, or visit exemplary programs and participate in work-related growth studies. The

Board shall pay for substitutes when deemed necessary by the Superintendent.

On days when students are not present, ESPs may request to attend training and professional conferences germane to the individual's job and beneficial to the District. If approved by the Superintendent, the Board will pay for the registration fees associated with the conference. If approved by the Superintendent, professional leave days shall not result in a reduction in the employee's normal compensation.

ESPs may request to attend a professional conference germane to the individual's job and beneficial to the District which occurs outside the regular work day of the employee. ARTICLE VI GRIEVANCE PROCEDURE

61 Definition of a Grievance

A grievance is defined as any claim by the Association, an employee or group of employees that there has been an alleged violation, misinterpretation, or misapplication of any of the specific provisions of this Agreement. A grievant may be filed by the Association, an employee, or a group of employees.

6.2 Procedures

The parties acknowledge that an employee and the Administration may resolve problems through free and informal communication. However, if such free and informal communications do not resolve a particular problem, a grievance shall be processed as follows:

- A. Step I** - The grievant may present the grievance in writing within ten (10) working days of the occurrence or knowledge of the occurrence by the potential individual grievant to the immediately involved supervisor, who will arrange for a meeting to take place within ten (10) working days after receipt of the grievance. The Association's representative, the grievant, and the immediately involved supervisor shall be present for the meeting. Within ten (10) working days of the meeting, the grievant and the Association shall be provided with the supervisor's written response, including the reasons for the decision.

- B. The Superintendent shall arrange with the grievant for a meeting to take place within ten (10) working days of the Superintendent's receipt of the appeal. Within ten (10) working days of the meeting, the grievant and the Association shall be provided with the Superintendent's written response, including the reasons for the decision.

- C. Step III** - If the Association is not satisfied with the disposition of the grievance at Step II, or ten (10) working days pass without the issuance of the Superintendent's decision, the Association may submit the grievance to the Board at its next regular meeting. If a request for arbitration is not filed within thirty (30) working days of the date for the Step III decision, then the grievance shall be deemed withdrawn.

6.3 No Reprisals

No reprisals shall be taken by the employer against any employee because of the employee filing a grievance under this section or for the content of any testimony given truthfully under oath in any grievance proceeding.

6.5 Class Grievance

Class grievances involving one or more employees or one or more supervisors and grievances involving an administrator above the building level may be initially filed by the grievant at Step I.

6.6 Released Time

Any investigation of a grievance by an employee shall be pursued when such employee is not assigned to duties. If a party to arbitration requires that the grievant or Association representative attend the arbitration, the grievant or Association representative shall be released without loss of pay or benefits. Employees who are called as witnesses in arbitrations shall be released without loss of pay or benefits, provided the Board and Association shall cooperate to minimize the time the employee is away from assigned duties.

6.7 Filing of Materials

All grievances, responses to grievances and/or supporting documents accompanying grievances/responses shall be filed separately from the personnel files of the employees. The

Superintendent shall maintain copies of the aforesaid documents in the Superintendent's office. The Association shall courtesy copy a grievance and supporting documents to the Superintendent, if the grievance is not directed to the Superintendent.

Each party may one time reject all potential arbitrators on a panel received from either the AAA or FMCS. Unless the parties agree otherwise, once either AAA or FMCS is selected initially, that organization shall be the organization to administer that particular arbitration. Regardless of whether AAA or FMCS is selected to administer the arbitration, the Voluntary Rules of AAA shall govern the arbitration proceedings.

The selected arbitrator shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. The Arbitrator's decision shall be based upon the interpretation or application of the express relevant language of the agreement. Teachers and ESPs: The Salary Schedule for certified staff for school year 2015-2016 is attached hereto in Appendix B. The Salary Schedule for certified staff for school year 2016-2017 is attached hereto in Appendix B. The Salary Schedule for certified staff for school year 2017-2018 is attached hereto in Appendix B. It is the intention of the parties that any payment or benefit provided by the District to the teacher shall not generate compensation which exceeds any existing cap with regard to the Teacher Retirement System regulations, such that it would require the District to pay any penalty or make an additional contribution to TRS on behalf of the teacher that the District is not otherwise obligated to make. In order for an employee to obtain credit for experience and movement on the salary schedule, they must work a minimum of 120 days in the preceding year.

ESP: ESP Salary Schedules for school year 2015-2016, school year 2016-2017 and for school year 2017-2018 are attached hereto as Appendix B.

ESPs, with the exception of paraprofessionals, shall punch a time clock to record their individual hours actually worked. Twelve month or nine month ESPs shall submit in writing to the Superintendent's Administrative Assistant for Finance by September 1st of each year whether the ESP elects to have his/her pay prorated over 12 months in twenty-four substantially equal installments, by multiplying the ESP's hourly rate by their scheduled daily work hours times the number of days the ESP is scheduled to work in a twelve or nine month period. However, each ESP's prorated pay amount shall be adjusted quarterly to reflect any increase or decrease of actual hours worked in the preceding quarter.

7.2 Pension

A. **Sheltering Teacher Retirement Contributions.** According

to authority granted by the Pension Reform Act of 1974, Section 414(h)(2) of the Internal Revenue Code, the Board of Education agrees to pay to the Teacher Retirement System on behalf of each teacher from the Teachers Salary Schedule based upon the TRS “ salary schedule reduction method “. Under this method, creditable earnings are equal to the salary schedule amount. The Employer shall withhold the 9.4% member contributions from the member’s salary and remit the contribution to TRS. Taxable earnings are the creditable earnings less the retirement contribution. If the required TRS member contribution increases during the term of this contract from the current 9.4%, then the Employer will remit any additional percentage contribution to TRS per the above salary schedule reduction method. Should any of the above be declared improper by an IRS ruling of opinion, that clause shall be deleted from this agreement to the extent it violates the ruling or opinion. TRS contributions will be sheltered and calculated on the TRS salary reduction method.

- B. The Board agrees to pay the employees’ THIS contribution as required by TRS regulations up to an amount equal to 0.97% for 2013-2014 and a maximum of 0.99% for 2014-15 of each employee’s creditable earnings as defined in paragraph 7.2 A above.
- C. **Illinois Municipal Retirement Fund (IMRF).** According to the authority granted by the Pension Reform Act of 1974 of the Internal Revenue Code, ESPs shall pay their required employee contribution and the Board shall pay its required employer contribution to IMRF as required by law for the employee’s benefit and as a tax sheltered direct contribution. 3. For employees who do not qualify for health insurance reimbursement, nothing herein shall prevent such employees who otherwise qualify for enrollment in the district's health insurance group plan according to the plan's terms from participating in the plan. However, such employees shall pay the entire single health insurance premium cost and any dependent coverage cost.
4. ESPs who qualify for health insurance reimbursement above shall have withheld from their wages any health insurance premium cost that the employee is responsible to pay over twelve months from the wages earned over nine months.

The committee will make a recommendation as to insurance specifications to the Board and WEA for consideration. The Committee's recommendation may include any and all factors affecting the extent and cost of coverage. The committee will present this recommendation to the Board and WEA for respective votes. The final option must be passed by both the Board and WEA. If agreement is not reached, the matter will be referred back to the committee for further consideration and recommendations until agreement is reached by both parties on an acceptable group health insurance program for District employees. ARTICLE VIII REDUCTION-IN-FORCE

81 Seniority

- A. **Teachers.** Seniority shall be defined as total years of continuous service in the District as a teacher. A teacher shall be deemed to have seniority only upon the attainment of tenure, but upon acquisition of tenure, seniority credit shall include all continuous years of service. Unpaid leaves of absence or layoff periods shall not be considered a break in service but shall not count towards seniority. Seniority is lost upon a teacher's resignation, dismissal for cause, or retirement from the District.

- B. **ESPs.** Seniority for ESPs shall be defined as total years of continuous service in the District as an employee. Pro rata seniority credit shall be given for less than full-time service. Unpaid leaves of absence or lay-off periods shall not be considered a break in service but shall not count towards seniority. Seniority is lost upon an employee's resignation, dismissal for cause, or retirement from the District.

8.2 Seniority Tie Breakers

If the total years of continuous service in the District are equal between two or more employees, then seniority shall be determined by reference to the following tie-breakers in the following order:

1. Date hired by the Board.
2. Total years of service in the District.
3. Total years of teaching (certified) or work (ESPs) experience outside of the District.
4. Horizontal placement to the right on the salary schedule (certified only).

Employees shall have ten (10) employment days from the date of posting of the tentative seniority list to

file objections in writing with the Superintendent or designee to the information shown on the list, including the employee's ranking or category(ies). After the period for employee objections has passed, the Administration shall prepare and post finalized seniority lists. The failure of an employee of the Association to make a specific timely objection shall be deemed an acceptance of the seniority ranking and shall prohibit any subsequent challenges to rankings until the posting of a seniority list in the following school year.

8.4 Dismissal Order

- A. The District and Association will adhere to the processes and procedures found in SB7. The Joint RIF Committee will meet by October 1 of each year and work within the parameters outlined in the law.
- B. Educational support personnel affected by reduction of force shall be honorably dismissed within the job classification (category of position). Certain positions require qualifications unique to those positions. In the event that a position is eliminated, the following procedure based on position will be followed:

If a reduction in force occurs, a maintenance employee who has more seniority may bump the least senior custodian; a more senior head cook may bump the least senior assistant cook; a more senior bus driver may bump the least senior bus monitor; and an assistant cook may bump the least senior lunchroom monitor. Bus drivers, maintenance employees, head cooks and assistant cooks are the only positions that may bump cross-categorically.

8.5 Displaced Tenured Teachers

Tenured teachers who have been reduced in force to less than a full-time teaching load shall continue in the school district's group health insurance plan if the plan provisions permit continued participation. If the tenured teacher continues to be a health insurance plan participant, that teacher shall pay the group health insurance premium cost for the continued health insurance coverage, less any Board paid health insurance reimbursement provided in this Agreement on a pro rata basis to the time contracted.

8.6 Recall Rights

Teachers who are honorably dismissed shall be given positions for which they are qualified in order of reverse seniority within their specific category of position for a period of one (1) year. Upon the offering of any vacancy

during the recall period, the teacher must notify the Superintendent or designee within fifteen (15) calendar days of their intent. Recalled teachers shall have the accumulated sick leave, salary schedule position, and seniority they had when honorably dismissed.

8.7 ESP Reduction In Force

- A. Reduction in Force.** If an ESP is removed or dismissed as a result of a decision of the Board to decrease the number of employees or to discontinue some particular type of service, written notification shall be given the ESP by certified mail, at least thirty (30) days before the ESP is dismissed or removed, together with a statement of honorable dismissal and the reason therefore. The ESP with the shorter length of continuing service within the job classification with the district shall be dismissed first.
- B. Elimination of Position.** If a position is eliminated, the ESP whose position is eliminated shall retain his/her seniority according to the Association's Seniority List for one (1) calendar year after the position is eliminated.
- C. Health Insurance Continuation.** An ESP who is honorably dismissed and participating in the school district's then current school district group health insurance plan shall be eligible to continue coverage in the plan according to the terms of the health insurance plan through the ESP's last day of employment. If the health insurance plan allows the ESP to continue coverage after the last day of employment at the ESP's sole expense, the Administration will cooperate with the ESP to continue the coverage.
- D. Recall.** If the Board has any vacancies for the following school term or within one (1) calendar year from the beginning of the following school term, the positions thereby becoming available within a specific classification of position shall be tendered to the ESPs honorably dismissed from that classification of position, so far as they are qualified to hold such positions.
- E. Waiver of Recall Rights.** Failure of the ESP to respond within seven (7) calendar days after the receipt of the Board's letter of recall sent by certified mail to the ESP's address on file with the Board recalling such ESP will result in the termination of the ESP's right of recall to any subsequent vacant position. It shall be the responsibility of the ESP to inform the Superintendent of any change in address.

ARTICLE IX FAIR SHARE

- 9.1** Effective in the 2007-08 school year, each bargaining unit member, on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, shall join the Association or pay a fair share fee to the Association equivalent to the amount of dues uniformly required of members of the Association, including local, state and national dues.
- 9.2** In the event that the bargaining unit member does not pay his/her fair share fee directly to the Association by a certain date as established by the Association and the Board, the Board shall deduct the fair share from the wages of the non-Association member.
- 9.3** Such fee shall be paid to the Association by the Board no later than ten (10) days following deduction.
- 9.4** In the event of any legal action against the Employer brought in a court of administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
- A. The Employer gives timely notice of such action in writing to the Association and permits the Association intervention as a party if it so desires, and
 - B. The Employer cooperates with the Association and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available at both trial and all appellate levels.
- 9.5** The Association agrees that in any action so defended, it will indemnify and hold harmless the Employer from any liability for damages and costs imposed by a final judgment of a court of administrative agency.
- 9.6** The obligation to pay a fair share fee will not apply to any employee who, on the basis of a bonafide religious tenet or teaching of a church or religious body of which such Employee is a member or a belief sincerely held with the strength of traditional religious views, objects to the payment of a fair share fee to the Association. Upon proper substantiation and collection of the entire fee, the Association will make payment on behalf of the Employee to a mutually agreeable non-religious charitable organization as per Association policy and the Rules and Regulations of the Illinois Educational Labor Relations Board.

ARTICLE X EFFECT OF AGREEMENT

10.1 Negotiations Procedures

- A. The Board and the Association agree that it is their mutual responsibility to meet at reasonable times and negotiate in good faith the wages, hours, fringe benefits, grievance procedure, terms and conditions of employment.
- B. Negotiations on successor agreements shall begin no earlier than March 1, unless both parties agree to an alternate date. Meetings shall be held as necessary at times and place agreed to by both parties.
- C. Both parties agree that it is their mutual responsibility to confer upon their respective representatives the necessary power and authority to make proposals, consider proposals, make counter proposals in the course of negotiations, and to reach tentative agreements which shall be presented respectively to the Association and the Board for ratification.
- D. When the Association and the Board reach tentative agreement on all matters being negotiated, the items shall be reduced to writing and shall be submitted to the membership of the Association for ratification and to the Board for official approval.
- E. If an agreement is not reached on all items within forty-five (45) days of the scheduled start of the forthcoming school year, either party may request the Federal Mediation and Conciliation service to appoint a mediator. Should the Federal Mediation and Conciliation Service be unavailable, the parties shall mutually agree upon replacement. In the event that the parties cannot agree upon a replacement, the Illinois Educational Labor Relations Board shall be notified. The costs of mediation shall be shared equally by the Association and the Board.

MEMORANDUM OF UNDERSTANDING REGARDING SICK LEAVE BANK

The Board of Education, Western Community Unit School District #12 (hereinafter referred to as the “Board”), and the Western Education Association / Illinois Education Association/National Education Association (hereinafter referred to as “WEA”) do hereby agree to the following:

5.1 Sick Leave

C. Sick Leave Donation Plan

The School Board and Western Education Association/IEA/NEA hereby agree to the following sick leave donation plan. The plan’s purpose is to allow any District employee, including non-union employees, the ability to donate their sick days to another employee who has suffered a catastrophic event, serious illness or injury. It is not the purpose of this plan to provide additional days to staff who have exhausted their accumulated sick leave and are applying for additional sick days.

Days are donated to the Sick Leave Bank and not to individual recipients selected by the employee. Donated days are immediately deducted from the employee’s accumulated sick leave. They are housed in the bank until an approved Sick Leave is granted.

Donating Days: Any employee wishing to participate in the Sick Leave Donation Plan **must** complete and submit a donation form by September 1st (December 18th for the 2015-2016 school year).

During the 2015-2016 school year, the first year of the Sick Leave Donation Plan, employees wishing to participate will donate two (2) sick days to the Plan. Subsequent years will require a donation of one (1) day per year until the bank is maxed at two hundred and fifty (250) days. New employees to the district and new participants to the Plan after the 2015-2016 school year will be required to donate two (2) days during the first year of participation in the Bank and one (1) in each subsequent year until the Bank is maxed at two hundred fifty (250) days. Once the max is reached, participating employees will not be required to donate days; however new participants will donate two (2) days. This will continue until the Bank falls below two hundred and fifty (250) days, at which time employees wishing to continue to participate will be required to donate one (1) day per year until the max is reached again.

Requesting Days: Any employee desiring to use the Sick Leave Donation Plan should contact the Association President. The Association President and the Superintendent shall make arrangements to convene the Sick Leave Bank Committee to determine if the request qualifies for the sick leave bank donation plan.

The Sick Leave Bank Committee will be established to act as the governing body for the administration of the Sick Leave Donation Plan. The committee shall

consist of at least one (1) member of the bargaining unit and at least one (1) person named by the Superintendent.

The following are minimal criteria for use of the sick leave days:

5. Must have a catastrophic event, serious illness, or injury to self, spouse, or dependent children
6. Must have a doctor's statement
7. The employee is required to exhaust all his/her available leave and vacation prior to using sick days from the sick leave donation plan
8. Must give the Sick Leave Donation Committee a written request for the estimated number of days required

Beginning with the third consecutive day of absence, an employee may be eligible to use the Plan. If the employee is eligible, the Plan coverage shall be retroactive to include the first day of absence for coverage. The consecutive day rule does not apply to dialysis, cancer treatment, and other intermittent absences due to life threatening occurrences.

An employee is only eligible for the number of days donated, not to exceed forty-five (45) days in one school year and a maximum of one hundred eighty (180) days during his/her employment with the District. The maximum number of days that can be allocated in a one-year period to all employees of the District is two hundred fifty (250) days, or the available number of days in the bank. An employee must notify the Association President and Superintendent at least five (5) working days before returning to work.
