

# GREAT RIVER CORVETTE CLUB SCHOLARSHIP INFORMATION

A scholarship awarded to a 2010 graduating high school student that will be attending a post-secondary training program in order to pursue an automotive related career.

The recipient must be in good standing at their high school and maintaining an acceptable grade point average and attendance record that indicates preparation for success in a post-secondary training program.

**AMOUNT:**           \$1000.00           Payable directly to the post-secondary training program, after verification from the school of successful enrollment.

The application form must be completed and returned by March 1, 2010 to be considered for the scholarship. The GRCC Scholarship Committee will make the final decision and notify the winner by May 1, 2010.

Examples of automotive careers may include (but not limited to) the following: auto body, auto mechanics, auto sales and marketing, auto design and engineering, auto business owners (dealership or parts), etc.
