Sarah and Eric Gates addressed the Board regarding the Policy that addresses requirements for students from non public, home school, or schools with different accreditation requirements entering or re-entering the Western School District having to take placement tests to receive credit.

Steve Schultz addressed the Board regarding his concerns that any newly revised Booster group configuration for revenues could potentially draw from revenue needed for the Prom. His concern was later addressed by Boosters Representative Coy Bainter.

Coy Bainter, representing the Athletic Boosters, indicated the Athletic Boosters would offer support without denying any group concessions revenue needed for the Prom and large event expenditures. The Superintendent indicated the District needs to carefully estimate non athletic groups needs and plan accordingly. The Board told the Boosters to proceed with their plan and when numbers are crunched regarding concessions revenues and projected expenditures, both the Board and Boosters can more readily ascertain what portion of concessions revenues can be used appropriately.
